On September 16, 2005, Elfrida Domestic Water Users Association ("Elfrida") filed an application for approval of a curtailment tariff. On February 25, 2011, Elfrida filed an application for the sale of assets to Elfrida Water Improvement District and to cancel Elfrida's Certificate of Convenience and Necessity ("CC&N"). On May 18, 2012, in Decision No. 73162, the sale of assets and cancellation of CC&N were approved and Elfrida is no longer regulated by the Commission.

Per the memorandum on May 23, 2012, by Steven M. Olea, Director of the Utilities Division, the application for the approval of the curtailment tariff is no longer relevant. Staff requests the above named docket be administratively closed. Therefore, this docket is administratively closed.

An Administrative Closure Number has been assigned to this matter which officially closes the docket. **This is not a signed order of the Commission and is for record keeping purposes only.**
